Dear Apakorn Sopitnukul, Nilubon Sivaborvornvatana:

Thank you for submitting your manuscript "The Influence of Financial Motivation and Emotional Value on Inheritance Planning and Retirement Security among Older Adults: The Case of Gold" to the Journal of Management Practices, Humanities, and Social Sciences (JMPHSS) for possible publication. We are pleased to inform you that the revised manuscript has been reviewed and conditionally accepted for publication in the Journal of Management Practices, Humanities and Social Sciences (JMPHSS), with the requirement of modification according to the editor's comments.

Comments are mentioned below:

1. The authors are required to ensure that the manuscript's similarity index remains below 20% and AI-generated content/similarity remains below 30%.

Once you submit the revised file, this will now be sent for copyediting. Once the copyediting is done, galley proof will be shared with you for final approval before it appears online on the journal's website.

We congratulate you for the publication.

Please feel free to contact us if you have any questions.

Kind regards,

Muhammad Abbas
